Christmas Round Dance

On Sunday the 9th November the Round Dance Association of Victoria held its Christmas Dance in Box Hill. Over 25 dancers enjoyed an afternoon of rumba, foxtrot, waltz, cha cha and 2-step. Even Santa and his helper dropped-in to say hello.

Round dancing is cued ballroom dancing (you are told what steps to take) and includes such dances as rumba, waltz, two step and foxtrot. The dances range from a basic Level 1 to an advanced Level 6. There are 6 round dance clubs in the Melbourne metropolitan area. Their dance nights include teaching sessions. You can come as a couple, single person or as group. If your group would like a demonstration at your events, that can also be arranged.

If you do dance you are welcome to come to the Sunnyside/Harlequin Christmas dance on the December 20, rounds starting at 4pm, we are then sharing a meal and then squares and rounds until 10pm. For more information please contact Coral on 0407 814 686

Most clubs will have their Christmas parties in December and will be back dancing late

January to early February 2015. Please contact Coral on 0407 814 686 or cozweg@bigpond.com or visit the RDAV website at:
